GRATITUDE

I sincerely thank everyone, regardless of the amount of the contribution, who supports the Ukrainian people in the fight against rashism.

Thanks to you, in August we collected a significant amount for another, already third course of social rehabilitation of veterans who lost their sight defending Ukraine, aimed at their return to an active, maximally independent life.

Together with you, we continue to prove that life after war must go on.

Every donation, even a small one, can make a big difference!
