Thanks to your donations, together with our partners, in June we began preparations for another rehabilitation and recovery camp for veterans who lost their eyesight while defending Ukraine. This will be the seventh such event within the Life After War project.

Thanks to you, we have sent to the frontline a lot of necessary items that help to deter the aggressor in the hottest spots of the frontline and save the lives of Ukrainian soldiers.

We continue to rely on your trust and assistance, as the war continues and the enemy continues to try to break the will of the Ukrainian people in their quest for freedom and independence.

Every donation, even a small one, can make a big difference!
