ASSISTANCE

In July, we sincerely thank you for your in-kind support:

- To the tireless Vidmantas Petrukaitis, Wild Bees Lietuva and Alyona Timonina for the shanks for the hellish "gifts" our Defenders regularly deliver to the enemy "behind the collar" from attack drones. Various units of the Armed Forces of Ukraine received the aid
- **To a Lithuanian friend of Ukraine, who wished to remain anonymous, for a mobile electronic warfare vehicle worth UAH 80,000 for the Mykolaiv TRO unit**

We are grateful to the WINGS charitable foundation for covering the costs of Nova Poshta services to deliver the aid to the frontline as soon as possible

GRATITUDE

I sincerely thank everyone, regardless of the amount of the contribution, who never tires of supporting the Foundation's projects aimed at helping the Ukrainian people in their fight against the Russian invasion.

Thanks to your donations, in July we paid for the next rehabilitation camp for veterans who lost their eyesight while defending Ukraine. This will be the seventh such event within the Life After War project.

Thanks to you, we have sent to the frontline an extremely important electronic warfare equipment that will save the lives of the defenders of one of the territorial defense units of the Armed Forces of Ukraine.

We continue to rely on your trust and assistance as the war continues and the enemy keeps trying to break the will of the Ukrainian people in their quest for freedom and independence.

Every donation, even a small one, can make a big difference!
