GRATITUDE

I am sincerely grateful to everyone, regardless of the amount of the contribution, who never tires of supporting the Foundation's projects aimed at helping the Ukrainian people in their fight against the Russian invasion.

In September, our achievements in the implementation of the Life After War and Iron Hawk projects cannot be called impressive, but we are not standing still. We have preliminary agreements with the project's regular donors to support at least one more rehabilitation camp for veterans who lost their eyesight while defending Ukraine this year. We are actively searching for an off-road vehicle to serve as a base for our next Iron Hawk and continue to accumulate money for this purpose.

Thanks to support by the Public Affairs Section of the U.S. Embassy to Ukraine, we have launched a large, extremely important project "I did so can YOU". Over the course of the year, the project team will produce 12 video tips on how to achieve independence in everyday life after amputation and text instructions in PDF format for them. It is also planned to release 12 podcasts on social adaptation of veterans with disabilities.

We continue to rely on your trust and help as the war continues and the enemy keeps trying to break the will of the Ukrainian people in their quest for freedom and independence.

Every donation, even a small one, can make a big difference!
