GRATITUDE

We sincerely thank everyone who supports the Foundation's projects, regardless of the contribution amount. Your help is a direct contribution to the Ukrainian people's fight against russian aggression.

In June, thanks to your donations, within the framework of the "Delayed Hawk – 4" project, we purchased three quadcopters for a Territorial Defense Unit in Mykolaiv, which courageously defends Ukraine on the Donetsk front line. The total value of this assistance amounted to €10,828.

We continue to count on your support, as the war goes on and the enemy does not cease its attempts to break the will of the Ukrainian people for freedom and independence.

Remember: every donation, even the smallest, can make a big difference!
