GRATITUDE

We sincerely thank everyone who supports the Foundation's projects, regardless of the contribution amount. Your help is a direct contribution to the Ukrainian people's fight against russian aggression.

In October, we raised money to meet another request from a combat unit of the Ukrainian Armed Forces. I hope that the necessary amount will be collected next month.

We continue to count on your support, as the war goes on and the enemy does not cease its attempts to break the will of the Ukrainian people for freedom and independence.

Remember: every donation, even the smallest, can make a big difference!
