GRATITUDE

We sincerely thank everyone who supports the Foundation's projects, regardless of the contribution amount. Your help is a direct contribution to the Ukrainian people's fight against russian aggression.

Unfortunately, in September we did not raise the necessary amount to meet the needs of the Ukrainian Armed Forces. At the same time, enemy pressure is increasing across the entire front line and there are many urgent needs.

We continue to count on your support, as the war goes on and the enemy does not cease its attempts to break the will of the Ukrainian people for freedom and independence.

Remember: every donation, even the smallest, can make a big difference!
