GRATITUDE

Thank you to everyone who supports our Foundation's projects. Your help is not just money; it is solidarity with the Ukrainian people in the fight for their land.

In December, we focused on gathering and accumulating your financial donations. This will allow us to raise the necessary amount to fulfill upcoming large-scale and targeted requests from our defenders. At the same time, the month was extremely active in terms of humanitarian support: thanks to our partners, we received and delivered a large volume of humanitarian aid to where it is needed most right now.

The war continues, and the enemy does not stop trying to break our will. That is why your care is so vital today.

Every donation, even the smallest one, can become part of a great common cause.
